**You've hidden your pregnancy. You can't hide your baby. Now, you and your baby have a responsible answer to your problem.**

### Into *Safe Arms*

- Bring your baby (up to 14 days old & unharmed) to any Virginia hospital emergency room or rescue squad.
- Each will provide a safe haven for your baby.
- Your baby will receive proper medical attention, and will be placed in a loving home.

### A Message from *Into Safe Arms*

Your baby will be released from the hospital as soon as a doctor says the baby is in good health (usually within 72 hours of admittance). The Department of Social Services will seek protective custody in order to place your baby with a caring family.
